

Bensalem Christian Day School

Dear Parents:

We hope that your Easter will be a joyous one and that you are able to enjoy some time off. Now that spring has finally arrived, all our children will be busy observing the many changes taking place in nature. Many special projects are planned for the month of April as we celebrate Springtime. Our registration for classes for the 2019-2020 school term is still underway. We presently have openings in all of our classes. If you know of someone who would like to have their child attend BCDS, please give us a call or drop by the day school office for a registration form.

Wishing you blue skies, sunny days,.

Lisa Woods

April is finally here, and soon the trees will be filled with leaves, the grass will return to various shades of green, and soon we will be working outside getting our yards and gardens in shape.

Spring is a time for renewal; it is a time of hope. For a church it also a time of reflection and repentance, with the expectation that soon Easter will be here.

For many of us, Easter is also a time when we reflect not on hope alone, but on assurances, assurances of promises fulfilled. Fulfilled when God said that he loved us fully, he proved that by sending his son Jesus to us, and Jesus in turn proved his love for us through the cross, and by taking the sins of the world upon his shoulders.

Join us Easter morning for a Sunrise service at 6:30 AM in our chapel, or an 8:30 or 10:45 service to learn more about the Christian faith. Find out what gives Christians joy and hope. Come celebrate with us, or join us any Sunday at 8:30 or 10:45.

Information for our Bible School will be distributed soon. Stay tuned!

Once again, if there is anything you need from me please feel free to stop by my office or give me a call anytime, [\(215\) 245-1215](tel:2152451215).

Spring weather is here!

We have a few safety reminders.

Please park only in designated spaces and observe all signs in our parking lots. When you and your children are on the playground please keep a close eye on them. Also, please remind your children that God has given us spring flowers to enjoy but, we must not walk on them and we need to leave them where they are planted for all to enjoy.

For safety reasons, please do not allow the children to run around in the parking lots or on the front lawn.

Happy Birthday

Outside Recess

As soon as the nice weather gets here, we will be going outside on a regular basis for recess.

Please have your child wear sneakers. Sandals and Flip Flops are tripping hazards when the children are playing on the playground. Mulch also gets in between and it hurts their little feet.

April's Enrichment

For the month of April we will continue to learn about the changes Spring time brings as well as learning about Flowers, Lady Bugs, Earth Day and of course Easter! The cost will be \$80.00 for the four week session that begins on Monday, April 1st. This is a progressive program and we encourage signing up for all three weeks.

On Enrichment days just bring your child's lunch and place the container in the "Lunch Basket." There is a lunch basket located on the first and second floors. Please make sure your child's name is on their container. Your child will be taken to their class for Enrichment after lunch.

Please note that your child may attend this session even if they do not normally attend on this day.

Monday's class dates: 4/1, 4/8, 4/15, 4/29

Spring
