October Newsletter-Tot Time

More Important Information

October 31sth will be our Halloween Party. We ask that your child come to school this day dressed in their Halloween costume. We will not be participating in the Halloween parade. We have found that this event can be very upsetting to this age group.

Classroom News:

Happy Fall everyone! We hope everyone is enjoying all of the wonderful colors of Fall! This month we will be focusing on the color orange, the shape of a square and the number 2. Your child will learn how to create the color orange by mixing red & yellow together. We will also be creating some cute Halloween crafts to help decorate your home for the holiday.

Our Bible story for October will be about how Noah was able to keep his family and the animals safe by listening to what God told him to do. On October 10th we will be celebrating Fire Prevention with a visit from our local fire department. In the classroom we will be talking about fire safety, what to do in case of a fire and how to stay safe here in school and at home. What a great opportunity to review your own fire safety rules at home with your children. Thank you again for the blessing of your child in our classroom.
