CLASSROOM NEWS

Happy New Year to all! We thank you for all the wonderful gifts and kind words at Christmas!

Our letters for this month will be "B", "D", "J" and "P" and the numbers 2, 3 and 9.

Please continue to have your child practice printing their names as they will be doing this on their own starting this month. Some new words that will be introduced for Science will be migration, adaptation, hibernation and camouflage. We will be discussing winter animals and how they adapt to the cold, i.e., bears and penguins. For Social Studies, we will use the map to show where penguins and polar bears live.
