Classroom News:

For the month of January, we will be focusing on the color blue, the number 5 and the shape of a star. Our Bible story for the month is Joseph and the Amazing Color Coat. For the last week of January, we will be celebrating Teddy Bear Week. On January 24th we ask that your child bring to school one of their favorite stuffed animals. On this day we will be having our Teddy Bear Picnic with our furry guests. Please feel free to sign up for something to bring in to help us with our picnic. The sign-up sheet will be posted as the date gets closer.

Thank you!!!!

Thank you again for everything you do to help us in our classroom!! We are so lucky to have such a wonderful group of families!!!

Classroom News:

As we start the New Year we will continue our work on letters that are formed using little and big curves. Our letters for the month of January will be "Qq", "Gg", "Ss", and "Jj". The children have really been doing a great job so far with their letters! We will be working on position words and rhyming words. We are so proud of all of their hard work.

For Science this month we will be discussing our 5 senses and how we use them. Math this month we will be using sequencing to help create a picture of a snowman. We will also be discussing how each snowflake is unique just like us.

Thank you again for everything you do to help make our classroom special!!!
