

Bensalem Christian Day School

February has been a month full of special days here at our Day School. The children enjoyed learning new songs and making special projects to celebrate Groundhog's Day, Valentines' Day, and Lincoln and Washington's birthdays.

This month, as we look forward to the arrival of Springtime, the children will be learning more about changes in the weather, spring flowers, birds, kites, wind, St. Patrick's Day.

As you know, our registration for the 2025-2026 school year is currently underway. We still have openings in all our programs. Please spread the word to neighbors and friends, who may be interested in registering their children, to call or drop by the Day School office. Wishing you blue skies, sunny days and a happy, healthy spring!

From the Pastor's Desk ~

Greetings in the name of our Lord Jesus Christ. Spring is, probably, around the corner. It's hard to tell with the way the weather has been. I pray that as Spring brings renewal of the earth to us that you will each feel the renewal God has for each of us. This time of year, is also the season of Lent in the Church. It's that time that we prepare ourselves for Holy Week and Easter. Preparation can happen with prayer, the reading of scripture and attending worship. I invite everyone to worship with us on Sunday morning. Worship times are 8:30 in the Chapel or on Facebook Live and 10:45 in the Sanctuary. Please let me know if you have any questions.

Blessings,

Pastor Alice Ann

Just a reminder that warmer weather is right around the corner. We will be going outside for recess so please leave your children's coats and sweaters. The back parking lot will be roped off until 11:20am. The mulch on the playground can hurt their little feet. So please remember to have your child wear their sneakers!

Just a reminder when parking in our back parking lot, please

DO NOT BLOCK THE GARAGE DOORS AND DRIVEWAY. Our Pastor and her family live there and need access to get in and out.

Also, please only park in designated parking spots. Parking in a non-designated spot, blocks the path of cars coming into the parking lot and trying to leave. Thank you for your cooperation in this matter!
