

With the arrival of May, we have just a few more weeks of school. It's been a wonderful year for all of us at Bensalem Christian Day School. The teachers and I would like to sincerely thank you for volunteering your time to help out at school, for providing delicious healthy snacks, and most of all for sharing your precious children with us. So many wonderful changes have occurred in our student's since they began school in September. Our staff members are to be commended for their dedication to all of our children and to our school.

During the Spring, the children have been learning more about baby chicks as they observe our egg-hatching project. First they will see chicken eggs as they develop in the incubator in our science room. The following week, they will see the baby chicks pecking out of their eggs and developing into fluffy chicks. It will be exciting to see new life and to watch them grow.

At the end of this month and during the beginning of June, we will also be raising butterfly larvae, observing caterpillars spin their chrysalides and then turn into beautiful *Painted Lady* butterflies that we will release during our all school picnic.

Church News

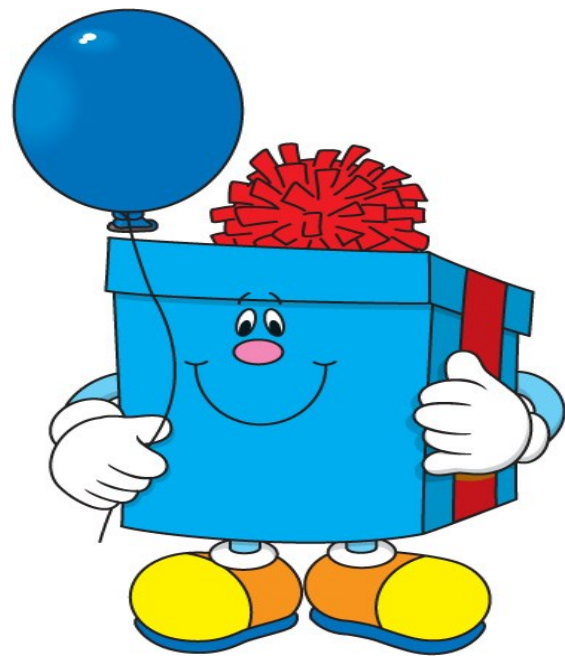

From the Pastor's Desk:

Spring has sprung and Summer is around the corner. This means the school year is coming to a close. It has been a pleasure spending time with your children and getting to know them. Please look forward to upcoming information about our VBS program in August. I hope to see you then.

I pray that you have a lovely, safe, and blessed Summer. For those who are moving on, I pray that God will continue to bless you in the years ahead. For those who will be back in the Fall, see you soon!!

**Grace and peace,
Pastor Alice Ann**

Happy Birthday

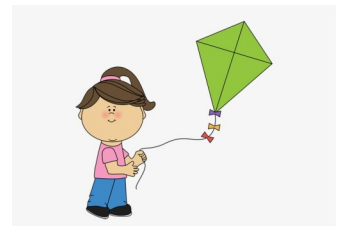

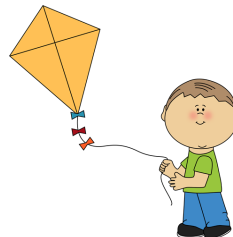

May's Enrichment

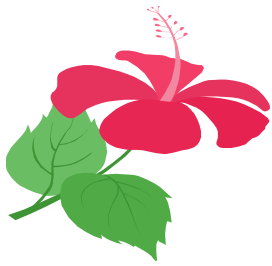

For the month of May, Jakubowski and Mrs. Per will have our last Enrichment with End of the Year Fun! Join us as we explore mother animals, baby animals as well as making a special gift for that special mom. We hope May is a month of nice weather so that we can make kites, go outside and explore. The cost will be \$60.00 for the three week session starting on Monday, May 6th. Each class is from 11:30—3:00, which includes the lunch hour fee. This is a progressive program and we encourage signing up for all three weeks.

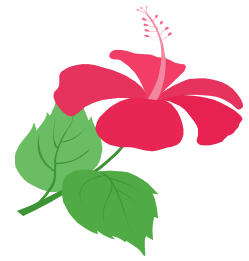

Please return the Enrichment form by Friday, May 3rd.

Monday's Class Dates: 5/6, 5/13, 5/20

**Happy
Mother's Day!**

Everyone will be receiving a year end statement the week of May 20th. Please review your records for accuracy. All accounts must be paid in full in order for your child to participate in any Pre-K graduation ceremonies. Thank you for your understanding in this matter.

Registration for the 2019-2020 school year is still underway. There are still openings in all of our programs. If you have not done so, please register your child as soon as possible in order to guarantee your child a place in a class next fall. Also, please spread the word to interested relatives, friends and neighbors.

Graduation ceremonies for our Pre-Kindergarten classes will be held on Thursday, June 6th

Details will be distributed in special bulletins and invitations.
