Classroom News:

The children have adjusted to school wonderfully. We talked about apples and Pumpkins; numbers 1,2,3,4,5 and 6; and the colors yellow, green, and red. The class did an apple sequence and a red, yellow and green pattern.

This month we will continue our study with apples and pumpkins and learn about bones and spiders. Our number this month is 4 and our color is orange. We will also be working on our cutting skills. It will be a very busy month.
