BIRTHDAYS

3/2 – Ava Miller

POEM OF THE MONTH

Now the days are warmer, I know it must be Spring
I saw some pussy willows, and heard a robin sing!!!

CLASSROOM NEWS

We will certainly welcome Spring! Our focus this month will be on St. Patrick's Day fun (looking for leprechauns). For our letters we will be continuing with diagonal lines (K, A, M, N and V) and reviewing numbers 1-10. We have learned to count in English, Spanish, French, Chinese, Sign Language and Ordinal Numbers. We are also getting ready to learn rhyming words, opposites and position words.

For St. Patrick's Day, we will be making Irish Potatoes!!! At the end of the month, we will be focusing on dinosaurs and making a volcano for Science.

Please have the children continue to practice their name and recognizing their letters and numbers.

Happy St Patrick's Day
