| Fri. March 7 th | Crazy Hair/Hat Day |
| Mon. March 17th | St. Patrick's Day Party |

Classroom News

Happy March everyone! Will March come in like a Lion and out like a lamb? For this month our letters will be Rr, Kk, Mm, and Nn. These slanted lines tend to be a little more challenging for the children. So please help them practice forming these letters at home. Thank you! For Science this month, we will be exploring colors. We will talk about how secondary colors are made by mixing two primary colors together. Look for a fun project to go along with our discovery of how colors are made. Our Bible story for the month is Daniel and the Lions Den

!!!Thank you for all that you do!!!

Here is hoping March goes out like a lamb!!!
