Classroom News

I can't believe that this is going to be our last newsletter. This year has really gone fast!! It feels like just yesterday we were welcoming them into our classroom for the first time. As they move onto the next chapter in their lives, please know they will always have a place in our hearts!! They are a great bunch of kids and we have really enjoyed our time with them!

Monday, May 20th will be our last regular day of class with the children. We have a lot of fun things planned for our last day together as a class. May 23rd is our school picnic at Core Creek Park. More information will be sent home with the monthly communication information.

Our graduation will be on Wednesday, May 22nd at 9:00am in the Sanctuary. The children will be wearing a turquoise cap on their head. For this reason, we ask that the girls please wear their hair down so the cap can fit properly on their head. They should report to the classroom at 8:45 and graduation will start promptly at 9:00. Please keep in mind that there will be other graduations going on before ours so the parking lot may be a little busy. Immediately following the graduation, you will meet your child downstairs in Fellowship Hall. We will be serving light refreshments to help celebrate your child's special day. Please make sure that you check our table in Fellowship Hall for your child's diploma. Any questions or concerns on graduation, please feel free to ask us.
