Classroom News:

This month we will continue our work on the alphabet with the letters "Tt", "Ii", "Uu". The letter "U" will be our first curved letter which is formed with Mat Man's head and ears. The children have really been working hard on all of their letter papers and are doing a fantastic job on their letters!! Math this month will focus on a continued review of the numbers 1-10 and the introduction of how to form numbers that use a curve. For Science this month we will be talking about the life cycle of a pumpkin. Along with our letter crafts this month we will also be doing some crafts that will reflect on our discussion of what we are most thankful for.

Thank you for all that you do! Have a Happy Thanksgiving!!
