Happy Birthday

Classroom News:

Happy November everyone! We had a lot of fun seeing all of the different costumes the children chose for Halloween. Thank you so much for bringing in some yummy snacks to help with our Halloween Party. We hop everyone enjoyed Trick-or-Treating and didn't eat too many treats!

This month we will be focusing on the number 3, the shape of a triangle and the color yellow. Our bible story for the month will be Loaves & Fishes. We will also be talking about the upcoming Thanksgiving Holiday and what it means to each of our families.

Thank you for all that you do. Have a wonderful Thanksgiving!!
