Classroom News:

Happy Fall everyone!!! It is such a pretty time of the year with all of the leaves changing colors. What a great time of the year to reflect on all of the marvelous things God has created.

Our letters for the month will be the letter "Ff", "Ee" and "Hh". All of these uppercase letters are focusing on using big lines and little lines also known as Mat Man's legs and feet. We are sending home a copy of your child's name practice paper. Please make copies and help your child practice writing their name. For Science this month, we will be exploring leaves, their colors, their different sizes and shapes. Math this month the children will be continuing our review on numbers 1-10.

We will be celebrating Fire Prevention with a special visit from our local fire department. In the classroom we will be talking about fire safety, what to do in case of a fire and how to stay safe here in school and at home. Our discussion in the classroom will also include other community helpers we encounter every day.

Thank you and God Bless
