Occasionally we are asked by potential parents to provide references. We've found that a short statement from current or prior families will often suffice in proving our credibility and allows us to avoid asking for permission to share your name and telephone number. If you could, please take a few moments to describe your experience with us.

My son loves to go to school!  
He can't wait to come  
home and show me what  
he made or sing a song  
that he learned. BCDS also  
works well with my sons  
IEP for speech.

- 2 day preschool 3yrs.

At present our younger sibling is attending BCDS. In 2013 and 2014 our older sibling attended BCDS. Our experiences as parents remains positive, the school offers good young scholar programs across the horizon of education and social spectrum. The teachers and school staff are very friendly and the BCDS management utmost supportive. They meet and adhere to great standards to execute wide array of activities and needs. We highly recommend the BCDS for new parents who seek quality and dedicated services for pre-kindergarten school.

Bensalem Christian Day School is a very warm & welcoming school. The teachers & administrative staff are dedicated, intelligent, & extremely motivated. The leadership truly care of the needs of the child and parent. Bensalem Christian Day School has well organized events, which my son enjoys participating in. Sending my son to Bensalem Christian Day School has been one of the best decisions I could have made for his growth and enrichment.

Bensalem Christian Day School has provided a superior preschool experience for my daughter. Not only has she gained letter awareness and a love for identifying and counting numbers wherever we go, she has grown as a person. Her abilities to share, show empathy and be a part of a loving classroom has poured into our home. We play teacher every day. BCD has prepared my daughter for kindergarten. We are so happy.

We love Bensalem Christian Day School!  
My son comes home ~~big~~ with all of the  
fun stuff he learns at school - songs - crafts -  
prayers. We really like that it's a Christian  
school and since we are members of the  
church there - he gets to put his lessons  
to use.

WE WERE SKEPTICLE AT FIRST FOR OUR 3 YEAR OLD SON TO  
START "SCHOOL" AT FIRST. BCDS IS AMAZING! ANSWERED ALL OF  
OUR QUESTIONS & CONCERNS PRIOR TO ENROLMENT. NEVER FELT  
PRESSURED INTO ENROLLING. MADE US FEEL IT WAS NEVER ABOUT  
THE MONEY. ASTONISHED AT THE EDUCATION OUR THREE YEAR OLD IS  
GETTING. BCDS IS AN ABSOLUTE BLESSING

Where do I begin with as currently my daughter is in Pre-K with Mrs Masti and Mrs Jonas I only have best of things to say about the school as the early years of your child's growth and learning are the most important to build a great foundation. She started with Mrs Gougler in the mommy and me class which was wonderful. Then moved onto early learners with Mrs Hoelper, Mrs Gougler and Mrs Per. which she loved alot. Now in Pre K she seems to learn the most and I can notice the difference. I wouldn't choose any other school than this. Highly Recommended. Lastly Mrs Woods and Mrs Schilling are very helpful in the whole process.

My daughter and I have had nothing but a good experience with Bensalem Christian Day School. We both were very nervous about starting Pre K but the teachers made the separation anxiety process as smooth as possible. My daughter loves school and never has anything bad to say about her days at school. She has made so many new friends and everyday is excited to show me all the new things she learned.
